# PLANTIN

*Le Goût de la Truffe  
depuis 1930*

## The Truffle Specialist

---

Located in the heart of Provence since 1930, Plantin is close to the three major French truffle markets that bring together farmers, brokers and manufacturers of truffles, and is therefore able to produce a remarkable selection of preserved truffles products that are shipped to chefs throughout the world.

# Spanner Crab Meat

Fished in the deep seas of Queensland by CEAS, the family fishery operating with the largest quota guaranteed sustainable under the Biodiversity Act since 1999, the magnificent spanner crab (*Ranina ranina*), feeding itself on scallops and shrimps, yields a boneless raw crab meat of the highest quality. The sweet crab meat with a fibreless texture can be prepared raw, Carpaccio style, or can be gently cooked, losing no water and turning snow white.
