CREATIV' FOOD

Specialty Condiment: FLAVOR PEARLS

Imported from: FRANCE

What are they?

Techniques of molecular gastronomy are used to create luminous Flavor Pearls. Overall, they elevate your best dishes - as both an attractive garnish & superb flavor.

The alginate skin is inconspicuous, yet provides structure.

The inner pearl gives a burst of intense flavor, which comes chef-approved!

Real quality ingredients are used for the inner flavors.

Use:

As a garnish to finish your dish

Keep submerged in the liquid until within an hour of serving

A jar has 1300+ pearls, easily garnering over 100 servings

FOUND[®]BUBBLY

The design-eco brand of naturally sparkling water.

Imported from the pristine mountains of Ukudag National Park in Turkey.

In a very rare natural occurrence,
bubbles are formed in reservoirs deep down the surface through a mineralization process.

Imported from: France

A Mediterranean specialty known for centuries, bottarga is made of cured pressed mullet roe

Used for its unique briny taste and bright orange color by discerning chefs

Known as the “parmesan of the sea” it adds a salty, umami characteristic to your recipe, whether grated or thinly sliced

Certified Kosher.

Traditionally preserved in wax.

Contains no additives or preservatives

Manufactured with a long family tradition by the Memmi family
