## Honey Soufflé

**Embracing heritage through innovation.**

Crafted with 100% raw honey, Panacea Honey Souffles have a smooth, light, airy texture achieved through an innovative low-temperature stirring technique. Just like a spread or jam - it's not liquid, it won't run, and it doesn't crystallize.

Enhanced with organic superfoods - Panacea Honey Souffles are strikingly vibrant, naturally and uniquely flavored, and tout a wide array of health benefits.
