## *Cultured Butter*

Candia Professional Butter Sheets are designed for pastry chefs who demand consistency and superior lamination.

With 82% butterfat, they offer exceptional plasticity, uniform thickness, and effortless workability, ensuring flawless layers and a rich, cultured French butter flavor.

Made from premium French cream, these sheets provide consistent texture and elasticity, preventing cracking while enhancing rise and definition in croissants and viennoiserie.

Their perfectly uniform structure guarantees reliability in every batch, delivering flaky, golden pastries with a superior mouthfeel.

**Available in 2.2lb sheets**
